Website: www.cvplus.eu

A bridge between Education and Business

NEW STEPS OF CV PROJECT

“CV PLUS aims to create a bridge between the world of education and that of companies through Corporate Volunteering initiatives. It has been designed to train managers of companies and educational centers, employees and teachers, in the development and management of this type of programs”.

In www.cvplus.eu platform you can find:

- **Corporate Volunteering legal framework** in Europe and in CV PLUS partner Countries;
- The **CV PLUS Good Practices collection**;
- The **Methodological Guides for companies and educational centres**: two complete handbooks aimed at supporting step by step companies and educational centres interested in cooperation activities and programs based on Corporate Volunteering;
- The **Trainings for companies and educational centres** interested in implementing Corporate Volunteering programs.

CV PLUS: TRAINING FOR COMPANIES

The course is addressed to business managers and employees interested in building collaborations with educational centers based on Corporate Volunteering. Through this course users will have the possibility to explore the benefits of Corporate Volunteer programs in educational field and to learn how to plan and evaluate these activities.

The course contains theoretical parts, practical activities, supporting documents and tools.

The methodological guide for companies complements the training with additional contents.

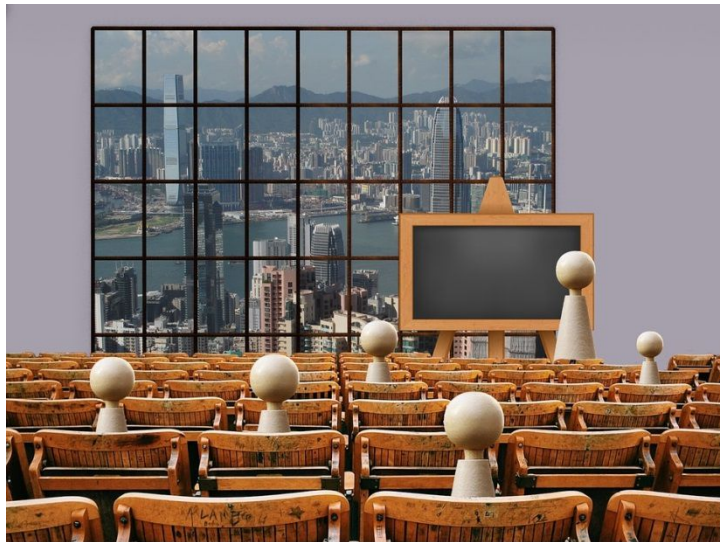

You can access for free to the CV PLUS platform and materials: <http://www.cvplus.eu/>

A bridge between Education and Business

CV PLUS: TRAINING FOR EDUCATIONAL CENTRES

The training is addressed to school principals, teachers and personnel.

Through this course users can get ready to cooperate with the world of business through Corporate Volunteering.

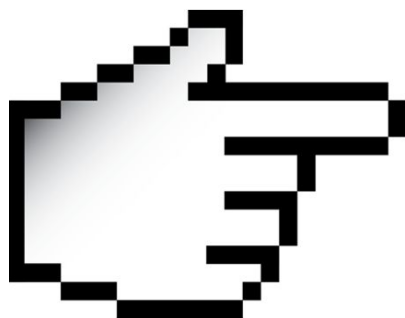

The course contains tools to identify the needs of the school, to design and apply a program of cooperation with the work world based on Corporate Volunteering, to find good partners that participate in the program.

The methodological guide for educational centres complements the training with additional contents. You can access for free to the CV PLUS platform and materials: <http://www.cvplus.eu/>
